Note (ENG): These links must be accessed through the Store in the iTunes app. Purchase/download options are through the right drop-down.

Megjegyzés (HUN): a lineeket az iTunes app Store funkcióján keresztül kell elérni. A vásárlás/letöltés opciók a jobboldali lenyíló menüből érhető el.

## **YouTube/Google Play**

ENGLISH: Google Play was eliminated in 2020 and merged with its live streaming partner, YouTube Music. With YouTube Music, there is no option to purchase and download. If you need this, please obtain through Amazon or Apple.

HUNGARIAN: A Google Play 2020-ban szűnt meg, és vonódott össze az élő zenei stream partnerrel, a YouTube Music-kal, melynek keretében nincs lehetőség a vásárlásra és letöltésre. Amennyiben szükséges, az Amazonon és Apple-ön keresztül lehet vásárolni és letölteni.

## **Spotify**

ENGLISH: For Spotify, simply click the “download” option via the three dots next to the play button while in the playlist. Note that this enables you to play the tracks within the app without wifi, but does not provide you with actual music files to be played outside of Spotify. If you need this, please obtain through Amazon or Apple.

HUNGARIAN: Egyszerűen nyomd meg a Letöltés gombot, a három ponttal jelölt menüből a lejátszás gomb mellett a playlistben. Ezáltal wifi nélkül is lehet játszani a zenét az appon keresztül, de maguk a zenei file-okat a Spotify-on kívül nem lehet lejátszani. Amennyiben szükséges, az Amazonon és Apple-ön keresztül lehet vásárolni és letölteni.
